...

Like digital evidence from a computer, it is necessary to have proper legal authority in order to perform a forensics investigation of cellular telephones and mobile handheld devices. An exception that is supported by case law (U.S. v. Finley C.A.5 Tex., 2007, & U.S. v. Carroll N.D. Ga. , 2008) allows a search “incident to arrest” and is often connected with searches of arrestees and motor vehicles.
