When Crusader asked about a compromise James Weld said: "While we will have to make some redundancies to survive the winter, my main objective is to keep these to a minimum.

VAT help for firms during coronavirus crisis must cut both ...

In creating Crusader, we asked our engineers and design team to throw caution to the wind and engage in serious "outside the box" thinking. We challenged them to think beyond the status quo and reach for product innovations not currently offered. We said, "Make Crusader a new standard in fifth wheels."
