How the Other Half Lives. Most of the foundlings come from the East Side, where they are left by young mothers without wedding-ring or other name than their own to bestow upon the baby, returning from the island hospital to face an unpitying world with the evidence of their shame. How the Other Half Lives together with its sequel Battle with the Slum reveal

Lives, New Yorkers read with horror that three-quarters of the residents of their city were housed in tenements and that in those tenements rents were substantially higher than in better sections of the city. In his book Riis gave a full and detailed picture of what life in those slums was like, how the slums were created, how and why they remained as they were,
