Python Tricks: The Book – Real Python

These buffet restaurants are super sneaky and make you think you can eat a lot for little money. You think you've gotten a good deal, but in reality, you're being fooled pretty badly by these buffets. Cornell University did a study in which two groups of people had to visit all-you-can-eat buffets, but they had to pay different prices.

This is how you're being tricked by all-you-can-eat buffets!
