The Fire Below Us Worksheet

THE FIRE BELOW US documents the actual sequences of events before and after God's Real Big Show: the volcanic eruption of Washington's Mt. St. Helens on May 18th, 1980. It includes a stirring story of conversion to Jesus Christ of the film's cinematographer as he faces death on the slopes of the mountain as he and his crew confront an unexpected second eruption while filming the devastation of Mt. St. Helen's blast zone.
