John Mosier is the author of The Myth of the Great War. He is full professor of English at Loyola University in New Orleans, where, as chair of the English Department and associate dean of the College of Arts and Sciences, he taught primarily European literature and film.

### The Myth of the Great War: A New Military History of World ...

"Myth of the Great War"" has stirred much controversy, and deservedly so. Mosier's take on the First World War -- that ""Germany won the battles and the Americans saved the Allies"" -- certainly offers a different perspective from most historians. My own reaction to this book is, read it with caution.

The stab-in-the-back myth was an antisemitic conspiracy theory, widely believed and promulgated in right-wing circles in Germany after 1918. The belief was that the German Army did not lose World War I on the battlefield but was instead betrayed by the civilians on the home front, especially Jews and the republicans who overthrew the Hohenzollern monarchy in the German Revolution of 1918-19. Advocates denounced the German government leaders who signed the Armistice on November 11, 1918 as ...
