He is best known for his investigative books Poisoned Wells (2007) and Treasure Islands (2011). He has worked as a part-time writer and researcher for the Tax Justice Network, an expert-led lobbying group focused on the harmful impacts of tax avoidance, tax competition and tax havens.

Nicholas Shaxson - Wikipedia

In Treasure Islands I trace the origins of this system back to the 1950s when we saw the emergence of the Eurodollar market, and then the rapid growth of British-linked tax havens. Before this, when the British Empire was still alive and well, the financial sector of the City of London made gobs of money out of cosy imperial trading privileges.
